

## GRADE 3/4/5 SUPPLY LIST 2018-2019

Students are asked to have the following items with them upon arrival in September:

**One 30cm ruler**  
**One pair scissors**

**One pencil case or kit box**  
**Indoor sneakers**

With the exception of the sneakers, it is our hope that students will already have these items from this year and will be able to use them over a few school years. Reusing, think Green ☺ . The supply fee is \$35.00. This includes a school agenda. It will be collected in September to cover the costs of consumable supplies.

As school numbers can fluctuate throughout the summer, classes will be decided in September.

Have a great summer break! We are looking forward to an exciting year working with your children!

Sincerely,  
Mr. Hines and Mrs. Doucette
